Reff No.SC-16BSM180305DM

Date: 05-Mar-18

8KW HYBRID Solar Power System

Item No. BSM8040-HY

Capacity 8040W

Daily power consumption 22.67 k.w.h/day under peak sun hour of 2.82 hours in Denmark

Solar Panel Layout **3 panels per string, 8 strings totally**

Item	Article	Picture	Description	Quantity	Unit Price	Amount (USD)
1	BSM335 (Poly 335w solar panel) Application Class: A		Voltage: 36V Weight: 24KG Dimension: 1956*992*40mm Warranty: 10 years for total 25 years for 80% output power	24	\$117.25	\$2,814.00
2	DC combiner box (Breaker, SPD, Switches)		Customized for 8.04KW 8 Input 1 output Warranty: 5 years	1	\$656.00	\$656.00
3	9kw hybrid solar inverter 400VAC 50HZ 3phase		Output voltage: AC 400V Size: 410*850*570mm Weight: 160kg Warranty: 3 years	1	\$2,759.00	\$2,759.00
5	Solar Battery		deep cycle free maintenance 12V 200AH Size: 522*240*219mm Weight: 58kg Warranty: 3 years	8	\$209.00	\$1,672.00
6	PV Cable		PV 4mm2 Warranty: 10 years	500	\$1.00	\$500.00
7	MC4 Connector		Rated current: 30A Rated voltage: 1000VDC	15	\$1.50	\$22.50
8	Rooftop Mounting System Optional: Ground installation Warranty: 15 years					\$1,005.00
Total 1 Set EXW Jiangyin Cost (Voulme ≈ 6.36 CBM Gross weight ≈ 2700.7 kg)						\$9,428.50

Remarks:

Price basis: USD/unit, EXW Jiangyin term

Payment terms: T/T, Alibaba Trade Assurance, Western Union, Paypal, Credit Card, etc.

Delivery time: 15 working days upon receiving payment

Quote Validity: 15 days from quoting date

Package: Standard export package, Composite material box
